

People Are Still Honest In Campbell

People are still honest. If you ever lose anything you'd better hope that Charles O. Freude of Campbell avenue finds it.

Freude discovered a wire recorder sitting by the side of the street in San Jose two weeks ago. It looked brand new with no scratches to indicate it had fallen from a car. So Freude picked it up, brought it home and then notified the police. Nothing more was heard for several days until they read in the paper that Don Lima of San Jose reported to the police that a wire recorder valued at \$150, had been stolen from his parked car.

Mr. and Mrs. Freude immediately got in touch with Lima who came out and identified his instrument as the one stolen. Apparently the thief had become panic-stricken and dropped the recorder by the side of the road. But Lima and his recorder are now back together and the Freudes have a new friend.

Campbellites Give 24 Pints Of Blood Wednesday

Campbell blood donors gave 24 pints of blood Wednesday during the bi-monthly visit of the Santa Clara Valley Red Cross mobile blood bank. Thirty-three persons volunteered to give a pint, but nine were turned down, much to their dismay. Mrs. Merle Gardner, Campbell chairman for the local blood donation program, stated that 30 pints a month are badly needed in this area and she hoped that even more persons would volunteer on the next visit of the mobile unit on Wednesday, Feb. 2.

Seven members of the Campbell Business and Professional Woman's Club volunteered to give blood, but only Mrs. Winifred Goodell, Mrs. Alice Cowdrey, Mrs. Mildred Accardi and Mrs. Junice Ross were accepted.

Others who contributed blood were Mrs. Edna Rose, Virginia Tindall, Thomas Boyle, Mrs. Muriel Smith, Mrs. Stella Hoerner, Ynez Hernandez, Leo Parks, Mrs. Florence Lukehart, Mrs. Ruby Mills, Mrs. Stella Baumgarner, Mrs. Lois Plymale, Louis Zeigler, Joseph Levenberg, Mrs. Frances Duncan, Mrs. Elaine B. Robertson, Mrs. Elva Parks, G. A. Tindall, Mrs. Betty Grizzle, Mrs. Bobby Hartsell and Merle B. Gardner.

Providing transportation for donors were Mrs. Jennie Gomes and Mrs. William Lloyd. Nurses from Campbell who assisted were Mrs. Henry Parysek, Mrs. E. F. Kollmer and Mrs. Libby McBain.

Serving as typists were Evelyn Fugua and Evelyn Bachman while hostesses included Mrs. Ethan Lanphear, Mrs. Barth O'Brien, Mrs. Eva Ballott and Eva Bachman.

The lovely holly and red berry corsages were made by Mrs. Harold Peck from material furnished by Ronnie Stoner.

Merchants Asked To See Butler

Steve Butler of the Campbell Theatre asked that all merchants interested in promotion ad deals with the theatre to please clear through him before entering into any deal concerning screen ad merchandise contracts. This is being asked for your protection and for the goodwill of the theatre.

Anyone Lost A Timid Dog?

Mrs. Jennie McFall is too soft-hearted to turn a dog loose to be killed. A long haired black pooch of some sort or breed has wandered into her yard at 42 Railroad avenue and apparently does not know his way home. So if anyone has lost a timid dog, please get in touch with her by telephoning 2292, and take him off her hands.

Damage Suit Filed Nov. 30

Mrs. Elizabeth Myers filed a damage claim Nov. 30 against I. T. Smith of Santa Clara for damages to her car arising from an accident which occurred Oct. 2, 1948 at the intersection of Campbell avenue and the San Jose-Los Gatos road. The suit was filed by Richard Morton, attorney.

Mr. and Mrs. Clifford Gerlach and family of Winchester road were Thanksgiving Day dinner guests at the home of Mr. and Mrs. Leland Ferguson in Willow Glen.

Dried Prune Surplus To Move To Europe

So far as could be determined Thursday evening, the recent announcement by the U. S. Department of Agriculture concerning the purchasing of surplus dried prunes in sizes of 100 to 120 per pound, would have no effect on the stocks now being processed at the Campbell branch of the California Prune and Apricot Growers Association. Disposal of an estimated 47,000 pounds of the dried prunes was assured during the week when the USDA announced that the Commodity Credit Corporation would purchase the fruit.

The USDA announced the purchase in the form of an amendment to the CCC dried fruit program. Tonnage to be accepted was not indicated but industry officials said that since the amendment was a relief measure for the industry, possibly all of the undersized dried prunes might be taken.

Price stipulated was five and three quarter cents per pound basis for the 100 to 120 sizes and deliveries must be on certification of this figure paid to producers by processors, the announcement said.

Reason for the action, the department said, is "to assist producers in disposing of an abnormally large volume of small size fruit having minor defects. The normal outlet for fruit of this type is in European markets which are not now available to the industry as a result of war."

Previously, the department announced CCC purchase of dried prunes of sizes 90 to 100 per pound or larger from processors on a bid basis but on condition that processors paid producers not less than seven cents per pound for fruit delivered to CCC.

The dried prunes in sizes 100 to 120 have been delivered to processors until this time on a three and half cents per pound basis. It was anticipated that because of the purchase stipulations, growers would receive the balance between original bid price and the CCC specifications.

The large volume of small fruit, industry officials said is the result of a poor growing season and the earlier dry winter.

High School PTA To Convene In Buc's Cave Dec. 8

Members of the Campbell Union High School PTA will convene in Buc's Cave, Wednesday, Dec. 8, at 2:15 p.m. Guest speaker for the meeting will be Miss Louise Hayes, manager of Ming Wong home for Chinese girls in Los Gatos. Other entertainment will be furnished by members of the high school a cappella choir singing several selections of Christmas music.

An executive board meeting will be held preceding the general meeting in Supt. Lawrence Hill's office at 1 p.m. All members are urged to remember that the PTA is sponsoring the play "Smilin' Through," to be presented by the Footlighters Dec. 9 and 10 and to buy their tickets from a high school student.

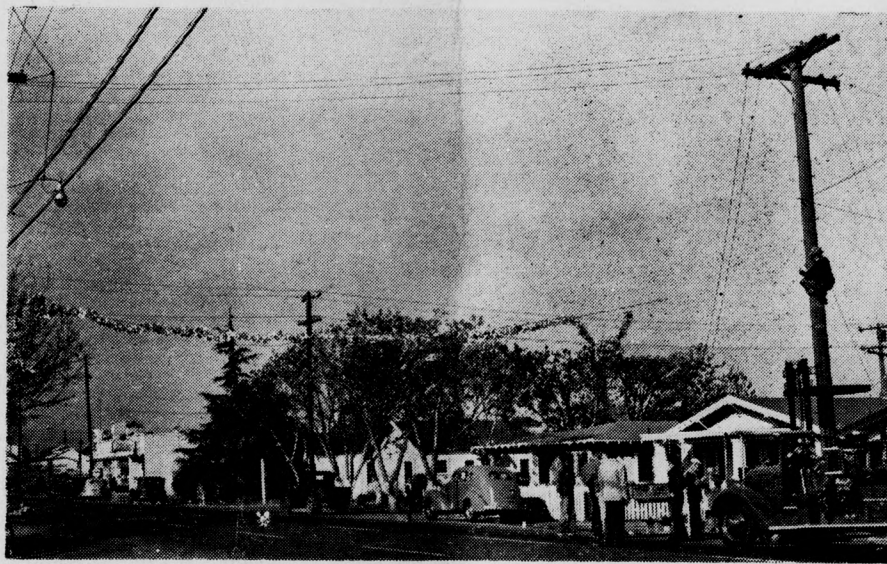

Girls Glee To Sing For Rotary Ladies Night

Special entertainment will be given by the Girls Glee Club of the Campbell Union High School under the direction of Mrs. Marye Parker at the Rotary Club ladies' night Monday evening, Dec. 6. The affair will be held in the Country Woman's Club.

Program for the singers will include groups of traditional Christmas carols with a special solo by Diane Ford, "Cantique de Noel" with the chorus, "Gesu Bambino" will be sung by a quartette during the program with Audrey Nichols, Joline Howard, Lillie Mellen and Mabel Jones as members.

The entire group will also sing "In Bethlehem's Lowly Manger." The girls glee club members will be accompanied by Joyce Klassen and Joline Howard.

Campbell Streets Decorated

Above is a shot of the first of the many street garlands which were strung during the last week in Campbell to add a festive touch to the coming holiday scene. Purchase of the new garlands and wreaths was made by a Chamber of Commerce committee headed by Frank Accardi. The stringing of the garlands and wreaths was done by the men of the Campbell Volunteer Fire Department with use of equipment loaned by the fire department and the California Prune and Apricot Growers Association.

Santa Claus to Parade in Campbell Monday Evening; Free Candy for the Kiddies

The holiday season will be officially ushered in Monday evening, Dec. 13 at 7:30 p.m. when Santa Claus will make his initiatory visit to Campbell as the star guest during a Christmas parade which will be sponsored by the merchants of the Campbell Chamber of Commerce.

During the parade Santa Claus will give away free candy to all children along the parade route. Any church, school or club organization wishing to enter the parade with a marching, singing or float unit, is asked to contact Forrest Reese as soon as possible.

All the Christmas street decorations which were put up during the last week by members of the Campbell Volunteer Fire Department under direction of Chief Jack Scott, will be lit up as well as the large Christmas tree in front of the Campbell Union Grammar School.

The new street decor, which consists of tinsel garlands and large lighted wreaths and candles, was put up during the week with the aid of equipment loaned by the California Prune and Apricot Growers Association and the fire truck equipment. The men are to be especially congratulated for their volunteer efforts in decorating the streets of Campbell. Garlands were strung from the Los Gatos Creek bridge to Winchester Road and thence down Winchester to Rincon with the large lighted tree on the school grounds adding a pleasing focal point.

Also to be noted in the Christmas decorations line is the beautiful window displays which a number of the Campbell merchants have fixed in their windows, one of the prettiest being the silver and orchid Christmas balls and lighted candles in the Campbell Cleaner windows.

So—Christmas comes to Campbell—and don't forget to get the kiddies out Monday evening, Dec. 13 at 7:30 p.m. to see Santa coming down the street. This is the first year that old St. Nicholas has made an official public appearance in Campbell and Campbell merchants are to be complimented on their foresight in issuing an early invitation to the beloved character.

Members of the Campbell Post No. 596 of the American Legion will police the streets during the parade to keep the old gent from being trampled in the rush. So, tell the youngsters to make out their lists—SANTA CLAUS IS COMING TO TOWN.

COUNTY HOSPITAL CHILDREN'S GUILD

All persons interested in the Children's Service Guild of the Santa Clara County Hospital are asked to meet Thursday, Dec. 9, at 1:30 p.m. in the north hall of the hospital, at which time the Guild will be officially formed.

Pete Lico Buys Back Grocery From Cecil Carr

Sale of the Red and White Grocery store on Campbell avenue to Pete Lico, was announced this week. Lico, former owner of the store for two years prior to selling to Cecil Carr on Sept. 15, 1947, expressed himself as being glad to be back in Campbell again with his many friends.

His sister, Virgie Lico is also back in her old position as clerk. During the interval when Lico was out of the grocery business, he owned a partnership in a creamery on S. First Street in San Jose, but sold out to return to Campbell.

Kidnap Breakfast Enjoyed By Club Members

A new note was added to the Campbell social calendar Monday morning when members of the Campbell Woman's Service Club were literally kidnapped from their homes "as they were" and whisked away to the home of Mrs. R. J. Flagg on Apricot avenue for a surprise breakfast.

The rule was "come as you are or pay a fine" and they came as they were found. The results were amusing to say the least, with only one member being "presentable" and she felt out of place! The novel affair was under the direction of Mrs. Earl Buck, general chairman, assisted by Mrs. Art Tindall, Mrs. LBen Howard and Mrs. Everett Nelson.

The breakfast was served in the basement rumpus room of the Flagg home for 33 members of the organization.

FORMER RESIDENT PASSES AWAY IN SAN RAFAEL

News was received this week of the passing of Mrs. J. H. Lucas, former resident of the Campbell area, in San Rafael. Mrs. Lucas was Muriel Crothers before her marriage and was a graduate of Campbell Union high school and San Jose State.

PTA TO HOLD 'FAMILY NIGHT'

"According to the Masters High Delight," will be the theme of the Campbell Grammar School PTA meeting which will convene Tuesday evening, Dec. 7 at 8 p.m. in the school auditorium. Protestant Catholic and Jewish pastors will be the guest speakers on the program which will be under the direction of Mrs. J. R. Longfellow, president. Rabbi Freund, the Rev. Dennis Kennelly and the Rev. Corwin Olds will be the guest speakers.

AMERICAN TRUST BANK EMPLOYEES RECEIVE BONUS

Mr. James K. Lochead, President of American Trust Co., today announced the recent action of the Board of Directors, declaring the usual Christmas bonus of half a month's salary to all officers and employees of the bank.

Campbell Avenue Set Back Line Survey Ordered By County Planning Commission

A survey of Campbell avenue between First and Second streets has been ordered by the Santa Clara County Planning Commission following a Wednesday petition by interested persons to establish a uniform building setback line in that block.

Grain Store Under New Management

Andy and Jim Santana announced Monday that they had taken over the lease of the Nelson Bros. Grain Store from Kenneth Strong, who originally leased the business from Clarence and Milton Nelson on Jan. 1, 1948.

The Santana brothers have been in the feed business for five years in the Mountain View Feed and Fuel Co. Both men were born and raised in the San Jose vicinity and are familiar with the feed problems of local poultry and dairy raisers.

Andy, a veteran of World War II, is married with two children, and expects to move his family to Campbell in the near future. The new managers of the well-known store stated that they would continue the policies of the Nelson Grain company of offering quality merchandise at the right prices. Strong, who expects to remain in the Campbell area, has no plans at the present.

Choir Sings At Tuesday Noon Kiwanis Meeting

Members of the Campbell Union high school a cappella choir rendered several numbers Tuesday noon at the regular luncheon meeting of the Campbell Kiwanis club. The choir, under the direction of Frank Triana, sang "The Cherubim Song," "Joyous Christmas Song," "Ave Maria," "Wassail Song," "Heavens Resound," and a spiritual, "Go Tell It on the Mountains." During the entertainment Jeanette Gomes also played a piano solo.

Clarence Nelson was chairman of the meeting with Joe Gomes serving as chairman of the day. One visitor from San Jose and one from Salinas were present during the meeting at which pictures of the club members were taken. Linda Finch was the high school guest.

BAZAAR CARRIES OUT OLD-TIME THEME IN DECOR

Strings of popcorn and cranberries and old-fashioned cornucopias of candy decorated the Christmas tree which dominated the scene at the Congregational Church bazaar Thursday. The Early American theme was carried throughout the hall with the members of the committee dressed in Early American gowns. The tea table was lighted with large candles in five branched candelabras.

On an old-fashioned piano was the ancient family album laid open to the stiffly posed portraits of yesteryear. The entire hall was decorated in Christmas greenery and red berries. Cooked foods, aprons and other goods were offered by the women of the church under the direction of Mrs. Frank Duncan, general chairman.

Church Permit Granted by S. C. County Commission

A permit for construction of an Assembly of God Church on the Santa Clara-Los Gatos road south of Latimer Ave. was granted on Wednesday by the Santa Clara County Planning commissioners. Petitioner was George Meleen, one of the church trustees. There were no objectors to granting of the permit.

The Commission ordered the survey after Attorney Martin S. Walsh, representing the interested parties in the decision, revealed that the Campbell Library, the new Post Office Building and the Campbell Cleaners have been built on a line only 43½ feet from the center of Campbell avenue instead of the 50 feet approved by the commission.

Walsh suggested establishment of a 43½ foot setback line, and this matter has been taken under consideration by the Commission, with action on the request being delayed until Jan. 4. The setback line will affect only the one block on Campbell avenue between First and Second streets, and is being sought in an effort to prevent establishment of a new building flush with the sidewalk.

Service Club To Act As Clearing House

Members of the Campbell Woman's Service Club announced that they will serve as a clearing house for any service group, church organization or club who wish to donate boxes of food at Christmas time to needy families in this area. In the past the Service Club has undertaken the job alone, but the need is greater this year than before and by establishing a central organization it was felt that all worthy families would be aided and none duplicated while others were neglected. All families are investigated by responsible people before donations are made, and all boxes will be delivered anonymously on Christmas Eve.

Any organization wishing to contribute food, money or toys was urged to contact Mrs. R. J. Flagg at Campbell 3566.

Cambrian Club Plans Dec. 10 Bazaar At School

Plans for a Christmas Bazaar to be held Friday, Dec. 10 in the Cambrian School house, were laid Monday evening at an executive board meeting of the Cambrian Home and School Club at the home of Mrs. Veronica Stoner on Union Ave.

The bazaar, which will open at 7 p.m., will have many Christmas gifts on sale with aprons, ceramics, white elephants, food and a holly decoration all attractively displayed in booths. The main game of the evening will be Bingo with ham and bacon for prizes.

The 4-H girls will have charge of a candy table, while the Boy Scouts are planning on making and selling Christmas wreaths, the Campfire Girls will cut out their silhouettes and Cub Scouts will run a penny game booth.

Mrs. Fern Wardell is general chairman for the affair with Mrs. Amy Roberts in charge of the Bingo game, Mrs. Betty Youngman planning the decorations and Mrs. Stoner in charge of the food.

THREE SISTERS HONORED BY LARGE BIRTHDAY PARTY

Three sisters were the honored guests Sunday when a family reunion was held in Salinas on the occasion of their birthdays.

Observing birthday dates were Mrs. Mamie Ledyard of Salinas who is 91, Mrs. R. B. Hummel of Campbell on the occasion of her 81st birthday, and Mrs. Susan Habuzel of San Jose, 85 years old. Thirty-five relatives gathered at the Ledyard home to congratulate the three sisters. Other Campbell guests included R. B. Hummel and Mr. and Mrs. J. C. Hummel and son Douglas.

FOOTLIGHTERS PRESENT "SMILIN' THROUGH"

As the December 9 and 10 deadline approaches for the coming Footlighters' production of "Smilin' Through," all hands are busily preparing costumes, rehearsing scenes and building the elaborate setting on the high school stage. In this picture, from left to right, are Les Ackerman, one of the stage crew; LBen Howard, Thais Ackerman and Gene Hodges, who all have leading roles in the cast; and Ellen Lanphear, prompter.

Burbank PTA To Sponsor Card Party

The Burbank PTA will sponsor a whist party, Dec. 10 at 8 p.m. in the school auditorium with a turkey door prize and other nice prizes for high score cards. The public is cordially invited to attend; the proceeds of the party will be used for child welfare purposes. Admission will be fifty cents.

ROBERT HOFFMAN GIVEN TENTH BIRTHDAY PARTY

Robert Hoffman, son of Mr. and Mrs. Robert R. Hoffman of Sunny-side Ave., observed his tenth birthday Monday evening with a party for his friends at his home. Movies were enjoyed by the group and the traditional ice cream and cake were served.

'Smilin' Through' To Be Presented At Campbell High Auditorium Dec. 9 and 10 By Footlighters

Finishing touches are being put on the Footlighters' production of "Smilin' Through" which will be presented Thursday and Friday nights, Dec. 9 and 10 at the Campbell High School auditorium. Actors and property people alike are all working hard to bring the play to a thrilling climax which will give Campbell one of the finest plays the amateur company has yet produced.

Tense drama is provided in the plot which features a conflict between crochety old John Cartaret, played by Gene Hodges, and his neighbors, the Wayne family, with the romantic element brought in by the love of John's ward, Kathleen, for young Kenneth Wayne.

A flashback scene to the late 1800's provides a lovely garden setting which the property committee under the direction of Ruth Gould, have made out of painstakingly created crepe paper flowers. Ethan Lanphear and his committee have built a complete permanent set, with the house in the background and a garden full of flowers and vines.

The costuming is under the direction of Ida Levenberg with the 1800 bridal scene a masterpiece in detail. The stage setting, lighting and costuming are an integral part of the play and with skillful direction on the "extras" the play emerges as a finished product. The workers on this part of the play, while not seen, are very necessary and are to be highly complimented on their untiring efforts in the production.

Music at intervals throughout the production will be furnished in the background by a string trio composed of Joyce Klassen on the piano, Mardel Sanders on the cello and Beverly Clausen on the violin.

Members of the high school orchestra under the direction of Frank Triena will play prelude music before the curtain rises and will also play between the second and third acts. Numbers which the 45-piece orchestra will play are the theme song for the play, "Smilin' Through," "Over the Waves," "March of the Toys," from Babes in Toyland and the "Entrance and March of the Peers."

The a cappella choir will also sing between the first and second acts of the play. Christmas songs will compose their selections and will take the place of their usual Christmas song festival. The choir, under the direction of Triena, will sing "Break Forth, Oh Beauteous Light," Joyous Christmas Song," "Ave Maria," "Wassail Song" and "Cherubim Song."

The production is being sponsored by the Campbell Union High School PTA and promises to be an outstanding event for the season. Don't forget to secure your tickets.

Beverly Jensen Named Queen Of Job's Daughters

Beverly Jensen was elected to the post of Honored Queen by the members of the Campbell Bethel 174, Jobs Daughters, at their regular meeting recently. Elected to the other offices were Patti Saunders, Senior Princess, Donna Horn, Junior Princess; Jean Currie, Guide, and Janet Coombs, Marshal. Installation services will be held on Jan. 8.

The regular meeting was opened by Patricia Ralston, Honored Queen, who thanked all members who had helped make the recent card party a success. During the meeting additional plans were made for the Dec. 4 dance to be held at the Saratoga Foothill Club. Jean Currie is serving as general chairman for the semi-formal affair, which has "Winter Interlude" as its theme. Bids are being sold for \$1 a couple at the door or from one of the members of the organization. Maxine Joyce and her all girl orchestra will play for the dance.

During the meeting Mrs. Virginia Currie, guardian, was presented with a handkerchief bouquet in honor of her new duty as Deputy Grand Guardian. Reports were also given from the Grand Guardian Council meeting at Long Beach recently.

Following the close of the business session a birthday cake with one candle was served by the honored queen in recognition of the Bethel's first birthday.

Why present low telephone rates must be increased

We're forced to apply for increases because we, too, are up against the problem of rising costs.

Here's the story:

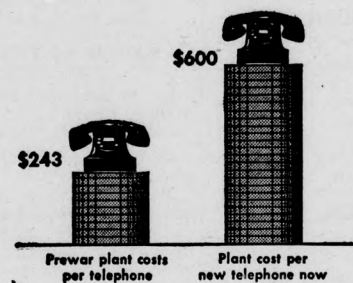

Telephone rates have gone up much less than most other things

Most businesses throughout the land have had to raise their prices a great deal... as the examples on the chart show.

But telephone rates, which were not generally increased between the 1920's and 1947, have gone up little even in these postwar years. The average in California is 15%.

The amounts we are now asking will vary for different services...but will average about 14%.

Compared to the prices of other things you buy, telephone service will still be one of your greatest bargains.

For every telephone put in this year we have spent \$600

We're breaking records putting in new telephones in the face of high costs. The equipment needed to serve the average telephone in California before the war cost us \$243. But costs have shot up. Today we are adding equipment costing about \$600 for each new telephone.

To bring more and better service to California, Pacific Telephone has had to invest \$280,000,000 in new facilities since V-J Day. This is one of the largest construction programs of any business in the state.

And we should put millions more to work in California to meet your growing needs.

To attract more working dollars we must have reasonable rates

Where does the money come from... the money we invest in California? We have to compete with other businesses for it. It cannot come out of the rates you pay for service. It must come from the savings of men and women all over the country. They want, of course, safety and a reasonable return on their investment. Or they won't invest.

Actual experience has shown that what we are earning in 1948 is not enough to attract the kind of investment money we need.

Pacific Telephone does not ask that it be allowed to earn one penny more than is required to do the job. But we must earn enough to do a good job for California.

SJS Spartans To Play In Mexico City

A 30-man party of San Jose State football players and coaches will board a chartered plane on Thursday headed for Mexico City and a clash with the University of Mexico. The game will close the season for the Spartans, who have won eight games in 11 starts this season.

Coach Bill Hubbard will have a job getting the Spartans high after their disheartening 19-14 loss to St. Mary's last Friday. Holding game control through most of the hard fought tilt, and leading 147 in the final quarter, the Spartans fumbled twice in their own territory and saw the Gaels spring to life and push over two touchdowns.

Led by the brilliant play of Center Bob Pifferini, the San Jose line held an edge over the iron men of St. Mary's through most of the clash. After the first of the fatal fumbles had brought St. Mary's to within one point, 14-13, the forward wall of the Golden Raiders held for downs after the Gaels recovered another fumble on the San Jose 10. But another Spartan fumble on the next play spelled the difference as Dick Jarvis passed to Tom Lamp for the winning tally.

The faking of Quarterback Chuck Hughes and the fine running of Halfback Harry Russell sparked the San Jose attack until the fatal fumbles.

Hubbard is taking 27 players

south of the border for the season finale. The include Ends Dean Sophia, Mel Stein, John Smith, Geo. Geene, and Billy Wilson; Tackles Harley Dow, Jack Faulk, Elgin Martin, Art Allen, Jim Wheelahan, and Ed Miller; Guards Joe Juliano, Jack Lercari, Dick Harding and George Reeves; Centers Bob Pifferini and Dick Voris; Quarterbacks Chuck Hughes and Gene Menges; Halfbacks Bill Schommel, Steve O'Meara, Fred Mangini, Harry Russell and Al Cementina; Fullbacks Jack Donaldson, Fred Silva and Pete Denewi.

Packages Should Be Mailed By Dec. 10 - Grim

Ira H. Grim, Campbell postmaster, warned that all mail for distant states should be deposited before Dec. 10 in order to insure delivery by Christmas time. At the same time Grim stated that greeting cards for local delivery should be mailed not later than December 15 and calendars should be mailed during the first week in December.

These suggestions are for the benefit of the public as well as the postal employees. Your cooperation in early mailing will be appreciated and will also insure a prompt delivery.

MARLENE DIETRICH, Hollywood actress—"The average man is more interested in a woman who is interested in him than he is in a woman with beautiful legs."

Two Million Paid In Workers' Claims Of Disability

California's youthful disability insurance program, two years old on Dec. 1, has left the "growing up" stage of its operation and now serves wage earners as one of the most important state agencies.

Since the program was launched on Dec. 1, 1946, more than 11,500 district workers alone have received more than 2 million dollars in benefits while unemployed because of illness and injuries, according to R. W. McQuiston, district disability insurance office manager. The District office pays benefits to persons living in Santa Clara, Santa Cruz, San Benito and Monterey counties.

McQuiston contrasted the \$86,000 paid to claimants by his office last month with the \$6254 paid during the first month of operation, and stated that the increase represents growing public knowledge of the program. "Two years ago, most people didn't know that they were protected against complete loss of income because of non-occupational disabilities, but today the majority of workers are informed about the program and benefit by it," he said.

More than 13,000 first claims have been filed in the district office during the past two years, McQuiston revealed. He said that nearly 88 per cent of these claims were approved for payment, the remainder being disqualified for such reasons as simultaneous cov-

erage by state-approved voluntary plans, and workmen's compensation liability.

Representatives of the District office made "unscheduled" visits to many claimants during the two year period for the purpose of explaining the new program and to investigate claims. "We try to visit as many claimants as possible," McQuiston stated. "Procedures are sometimes confusing and need to be explained by personal representatives. Proper payments are assured and time and money are saved, and public relations improved by this feature of the disability program."

Church Choir To Sing Christmas Carols

Christmas carols will be sung as the hymns in the 11 o'clock worship service at the Methodist Church next Sunday, in keeping with the Advent season. Rev. Osborne, the pastor, will preach on the subject, "Thy Grace Shall Make Us Strong." The church choir will sing two carol-anthems, "Good Christian Men, Rejoice," and "In the Bleak Mid-winter." The children in the nursery will be supervised by a high school girl and Mrs. L. J. Osborne during the worship service, and one of the ladies from the Missionary Society will conduct the 11:30 Missionary Study.

The Church Board of Education will meet at 3 p.m. under the leadership of Lt. H. A. Taylor. The Official Board will meet at 4 p.m.

Yellow Foliage Treatment To Be Demonstrated

The leaves of some plants, when growing in soils containing an excess of lime, become more or less yellow. This condition is known generally as chlorosis, and when caused by an excess of lime in the soil, as lime-induced chlorosis.

Lime in excess interferes with the absorption and utilization of iron by the plant, and the failure to receive a normal supply of iron results in leaves not forming the full amount of the green leaf pigment known as chlorophyll. In this disease, the leaves, either on certain limbs or the whole tree, are bright yellow. The tree becomes increasingly stunted and unfruitful as time goes on.

Lime-induced chlorosis is found in numerous and widely separated areas of Santa Clara County, and on Wednesday, Dec. 8, at 2:00 p.m., Assistant Farm Adviser G. D. Worswick of the Agricultural Extension Service will demonstrate a treatment for the control of this condition at the Corporation Yard of the A. Block Fruit Company, 101 Highway and Scott Lane in Santa Clara. Everyone is cordially invited to attend this meeting.

DEATH VALLEY SCOTTY, legendary prospector on report that he's penniless—"I have at least \$600,000 tucked away. And as soon as I can figure out a way to declare it without the tax boys cutting in, I'll do it."

Youth Group To Attend Social Evening

The Campbell Methodist Youth Fellowship will attend the social evening at the San Jose YMCA on Saturday, Dec. 4, from 7:00 'til 11:00 p.m. Here all MYF'ers in the sub-district will enjoy playing games, swimming, and seeing a movie on the World Series. Social evenings of this type will be held at the YMCA the first and third Saturdays of each month.

The group is preparing a Christmas play, under the direction of Miss Georgene Lloyd, which will be given December 19.

At the Sunday 6:30 evening meeting, Dec. 5, the worship service will be conducted by Katherine Bower and the group will be led in folk games by Mr. and Mrs. H. A. Tindall. The group will also practice Christmas carols under the leadership of Miss Adrienne Ellison and rehearse the play.

Senior Scouts To Sell Xmas Trees, Wreaths

Members of the Campbell Senior Scout patrol under the leadership of Bob Herschbach, opened their Christmas tree lot on the corner of Winchester and Rincon Thursday afternoon. The boys will sell beautiful Christmas trees and wreaths at slightly lower rates than can be found elsewhere in the community and hope to clear enough to finance another summer trip. Last year the members netted enough to finance a trip to British Columbia.

The lot will be opened and maintained by the boys every weekday afternoon and every Thursday evening until Christmas as well as all day Saturday and Sunday and Saturday and Sunday evenings. A really beautiful selection of trees has been obtained and the boys are making the lovely wreaths which will be offered to the merchants and townspeople to decorate their doors and windows. Christmas lights will illuminate the lot, on the corner of Winchester and Rincon, during the evenings.

The Senior Scout group is composed of 12 boys in the Campbell unit, six of them are Eagle Scouts, which is the highest honor to be obtained in the Scouting ranks. Richard Sisemore, son of Mr. and Mrs. Clyde Sisemore, was awarded the Eagle Scout rank at the last court of honor held Nov. 17 at the high school. Sisemore has been a member of the patrol for five years.

SONG Beautiful Heaven

By FANNIE HUTCHINS
Beautiful Heaven, I long to be there.
The wonders of Father and Son we shall share.
Oh how we'll praise Him. We'll shout and we'll sing.
Such wonderful music in Heaven we'll sing.

Chorus
Beautiful Heaven, our home up above,
Beautiful Heaven of joy, peace and love.
Our beautiful Heaven of joy complete.
Beautiful Heaven, our own mercy seat.

We will meet all our friends and loved ones up there.
We will wander by the river; each beauty we'll share.
And the Tree of Life every one will see.
We will meet our dear Saviour who died for me.
We will walk on the beautiful street of pure gold.
Such wonders and joys to our vision unfold.

We will sing "Holy, Holy" to Christ our dear King.
We'll join our voices, make melodies sing.
Oh, come my dear friends, join our happy throng.
Then your hearts will be singing as we travel along.
We'll all be so happy, when our life here is o'er.
We'll hear Jesus' welcome to his Heavenly shore.

BUD'S TEXACO ANNOUNCES

A mechanic will be on duty nightly 'til 10 p.m., all day Sunday and all hours by appointment

Increase In Phone Rates Is Being Asked

Application for an increase in California telephone rates, first announced on Oct. 27, was made today to the California Public Utilities Commission by the Pacific Telephone and Telegraph Co., according to W. E. Williams, district manager.

"The public is demanding more and more service," Williams stated. "Present earnings are not sufficient to attract the hundreds of millions of dollars of new capital that must be raised from the sale of stock to purchase the plant and equipment needed to meet the telephone demands of the public. In order to raise this capital, earnings must be adequate to attract the investment dollars in competition with other industries."

The rate application was made necessary by the problem of rising costs of both labor and material. Rate increases thus far obtained by Pacific Telephone amount to about 15 per cent on California intrastate operations and have proved inadequate. The new application, if granted, will increase the revenues of the company about 14 per cent.

Williams stated, "The increase in the prices of almost everything we must buy in order to render telephone service has spiraled. Inclusive of the rate increase now being applied for, the average price of telephone service will have gone up less than half the 75 per cent rise in the cost of living index."

Pacific Telephone now employs 56,000 people in California or one out of every 74 workers. Its total annual state payroll is now running at the rate of \$175,000,000.

Examples of the rate changes proposed for Campbell are as follows:
Present Prop.
Business Individual\$5.25 \$5.75
Residence Individual3.50 3.75
Residence two-party3.00 3.25
Residence four-party2.50 2.75
Examples of toll rate changes:
Campbell to San Francisco—35 cents to 40 cents.
Campbell to Los Gatos—5 cents to 10 cents.

McCoy Sales Moves Lot

C. N. McCoy announced this week that the McCoy Sales Used Cars is moving to a new lot on 70 South Rincon next to the Texaco Service Station.

Cheaper cars will still be handled at the old lot at 25 S. Winchester with the better class cars at the new lot.

General Guild To Elect Officers

Election of officers for the coming year will highlight the annual meeting of the General Guild of the Campbell Congregational Church to be held Thursday, Dec. 9 at 2:30 p.m. at the church parlors.

Following the business session refreshments will be served by Group No. 1 which will act as the hostess for the day.

FROM CAMPBELL HIGH

By VIRGINIA GRATTAN

Persons wishing to obtain tickets for the play "Smilin' Through" may purchase them from any Campbell High School student. All seats are reserved, so tickets should be obtained quickly for best seats. Prizes will be given to the student and class having sold the most tickets and a large part of the proceeds will go to the school.

Campbell High School's A Cappella choir sang Monday, November 30, for the Kiwanis Club. They will also sing Friday, December 3, for the Choir Festival to be held at the Civic Auditorium, San Jose. Director of the choir is Mr. Frank Triena of the music department.

Purchased by the student body lately, was an Everett baby grand piano. It was bought with the money from the PTA, graduating classes, and district funds.

Now that the last football has been packed away for another school year, practice has begun for the season's next sport, basketball. Coaching the varsity will be Mr. Bill Perry and for the 30's, Mr. Art Swenson.

Many sad faces were seen shortly after second period Wednesday. The reason for the sadness was the report cards that the students received at that time.

Food will be sold next Wednesday by the Freshmen for the annual Freshman Food Sale. Mrs. Muriel Ponders, Freshman orientation teacher, is in charge of the sale.

Glaze is often popularly called sleet. It is a thin coating of ice on terrestrial objects due to the freezing of rain. In England such a deposit is called glazed frost. A deposit of glaze on an extensive scale constitutes an "ice storm."

THE FARMER'S CORNER

By RALPH H. TAYLOR
(Executive Secretary, Agricultural Council of California)

When the 81st Congress convenes, tax-supported public housing schemes, and the continuation and extension of rent controls, are certain to become major questions for debate. President Truman has made it plain that he intends to champion measures providing Federal funds on an undisclosed scale for public housing construction. And Administration spokesmen have stated that bills will be introduced deferring the lifting of rent controls for at least another year, possibly two.

In California, at the last election, the voters of the State turned thumbs down on a ballot proposition calling for the creation of a State Housing Authority empowered to spend \$100,000,000 in State funds for public housing projects.

As one writer pointed out during the campaign against this measure, "Government is up to its ears in the housing muddle, has been for years, and the deeper it goes, the greater the muddle." Expanding on this observation, the writer further declared that "experience shows the Nation's homes can't be built any cheaper by government agencies than by private builders, for labor and materials cost the same no matter who contracts for them."

Evidently the people of California, at least, agreed with this view and with the fact that the tremendous scale of privately financed building operations today is rapidly closing the gap between the availability of housing and the demand for it.

It is doubtful, however, in view of the results of the Presidential election and the political complexion of Congress, that the majority of the Nation's lawmakers will view public housing projects with the baleful eye that California voters turned on them. There appears to be a slight doubt that a Federal public housing scheme will have strong support. Its opponents, however, will not permit their case to be lost by default, and by their efforts are sure to exercise at least a modifying influence on the scope of such legislation.

On the subject of rent controls, it is quite probable that their extension will be voted. The only dubious factors appear to be the duration of that extension, and whether or not rents not now under control—as for example, exemptions on new construction—will be brought under Government supervision.

Congress, when it considers this subject, might devote some study to the experience of another nation which imposed rent controls after World War I on a "temporary" basis, extended them—again "temporarily"—from year to year, and finally finds itself, 30 years later, with controls that have turned rented homes and apartments into degrading hovels. That nation is France.

In Paris today, a dollar a month will pay a wage-earner's rent—but no rental housing is available. The situation is described by French economist Bertrand de Jouvenal, in a publication issued by the Foundation for Economic Education. He states:

"Rent seldom rises above 4 per cent of any income; frequently it is less than 1 per cent. While you pay no more than these ridiculous prices if you are lucky enough to be in possession, on the other hand if you are in search of lodgings you cannot find them at any price. Young couples must live with in-laws, and the wife's major activity consists in watching out for the deaths. Tattered old people are shadowed back to their flat by an eager young wife who will strike a bargain with the janitor so as to be first warned when the demise occurs and to be first in at the death. Other apartment purchasers have an understanding with the funeral parlors."

Rent control in Paris, this author states, has halted practically all housing construction. Almost 90 per cent of Parisian dwellings were built before the first World War. Owners are unable to meet operation and repair costs. Five out of six dwellings in Paris are considered to be almost uninhabitable from the standpoint of health and sanitation; 82 per cent of the population does not enjoy a bath or shower; more than half the dwellers must go out of their lodgings to find a lavatory; and

DESCRIBES PERILS IN JERUSALEM . . . T/Sgt. Carlos Ballou, of Pinson Fork, Ky., just returned from Palestine, is greeted by navy secretary John Sullivan at the Pentagon. Ballou told newsmen that life of the U. S. consul general in Palestine had been threatened 24 times in the past three months.

Funeral Services For Mrs. Holt Held Tuesday

Tuesday afternoon services were held at the Rutherford Funeral Home for Mrs. Ollie Holt who passed away in Campbell Saturday, Nov. 27, at the age of 69 years.

The beloved wife of the late Fred Holt, she leaves seven children, Roy, Elmer, Fred, Floyd, Loyd, Carl and Bertie Holt, all of Campbell; three sisters, 18 grandchildren and two great-grandchildren. A native of Arkansas, she was born Feb. 23, 1879.

Singing at the services were Mrs. Tishy Madden, Mrs. Velma Mancuso, and Mrs. Josephine Gentry. The Rev. A. F. McKinney officiated, with interment in the Santa Clara City Cemetery. Pall bearers included J. F. Spalding, E. M. Robertson, Odus McGowan, B. F. Barton, J. A. England and F. A. Snyder.

WAT BROWN, Pasadena, addressing Calif. G.O.P. Assembly—"We can't wait until 1950 and '52 to determine what the man and woman in the street expect of the Republican Party. Now is the time to find out and to act."

a fifth do not even have running water in the lodgings.

It couldn't happen here, perhaps—or could it? Perhaps we will find out a decade or two hence, if today's "temporary" rent controls, like those imposed in France, produce the same stagnation in building, renovation and improvement.

Control Of Disease Littleleaf Shown By Agriculturist

Littleleaf disease, its characteristics and simple methods of control were explained, and the procedure for its cure was demonstrated Wednesday, December 1, at 2:00 p.m. on the cherry orchard of Ray G. Cline, Rt. 1, Box 621 Hicks Ave. near Booksin Ave., San Jose. Prune, peach, and almond trees are attacked by this nutritional disease, as well as walnuts and cherries. All phases of the disease, its identification, its treatment both by sprays and other means were discussed at the demonstration by G. D. Worsick, Assistant Farm Adviser with the Agricultural Extension Service in San Jose.

An approved method for treatment of crown gall, a disease generally affecting walnuts, was shown by Mr. Worsick on Thursday, December 22 in the orchard of Mr. C. H. Bauer, 1343 Pine Ave. near Hicks Ave. in San Jose. Crown gall is a soil-borne fungus disease generally entering the cellular tissue immediately behind the back or near the ground level. Entry is made at points of mechanical injury, enlarging until a crown or limb may be nearly girdled, causing the loss of an entire tree or limb. A simple but effective way to treat this disease was shown by Assistant Farm Adviser Worsick at the demonstration.

WSCS To Hold Xmas Meeting At Church Dec. 9

The Woman's Society of Christian Service of the Campbell Methodist Church will meet Thursday Dec. 9 in the church parlors for their Christmas meeting.

The general business gathering will be at 10:30 a.m. with luncheon served by the Friendly Circle at 12 noon. At one p.m. the Girls' Glee Club of the Campbell high school under the leadership of Mrs. G. N. Parker will favor the group with a number of Christmas songs.

The topic "Miners and the Christmas Light" will be led by Mrs. Joe Keesling and Mrs. Helen Spruit will have charge of the devotions.

Mrs. Joe Dahl, president, urged that every woman interested in the activities of the church to be present.

Photography Exam Announced By Civil Service

The Twelfth United States Civil Service Regional Office announces an open competitive examination for probational appointment to the position of Photographer in various Federal agencies in the States of California, Arizona and Nevada. The salaries for this position range from \$2498 to \$4855 a year.

In order to qualify for appointment applicants will be required to meet certain experience and training requirements. No written test is required.

Application blanks and full information regarding this examination may be obtained from the Secretary, Board of U. S. Civil Service Examiners at any first or second class post office in California, Arizona and Nevada, or from the Director, 12th U. S. Civil Service Region, Room 129, Appraisers Building, 630 Sansome St., San Francisco 11, California.

Applications must be on file with the Regional Director not later than the close of business on December 15, 1948.

Boy Scout Council To Hold Meet

Executive Board members and members at large of the Santa Clara County Council, Boy Scouts of America, will meet in San Jose Tuesday evening, Dec. 7, for their final meeting of the year.

President Marc Vertin of Los Gatos will conduct the meeting and will call on reports from District Chairmen and Council Operating Committee Chairmen covering their year's activities. A Long Range Planning Program will be presented to the Board for consideration and the 1949 Council activities discussed.

The meeting will be held at the San Jose Civic Auditorium, Duane Hall, starting at 8:00 p.m. The public, interested in Scouting, is invited to attend this important meeting.

San Jose State Presents 'The Late Christopher Bean'

"The Late Christopher Bean," to be presented by the speech and drama department of San Jose State College in the campus Little Theatre, December 2 through 7, is a play full of clever situations. But it is better known for its delightful revelations of character.

"Indirectly through the speeches and actions of an interesting variety of characters, there is a gradual unfolding of the life and spirit of the deceased artist," explains the director, John R. Kerr.

"Our production of the play does not stress the character of any particular section of the country. It is rather an amusing conflict, in a typical middle class setting, of people with vastly different sets of values."

"The Late Christopher Bean" has received the hearty approval of audiences in London, Paris, and Berlin, as well as in this country. Sidney Howard, the author, is well known for many popular plays, among them "They Knew What They Wanted," "The Silver Cord," "Ned McCobb's Daughter," and "Lucky Sam McCarver."

Civil Service To Hold Exam For Engineers

The Twelfth U. S. Civil Service Regional Office announces an open competitive examination for probational appointment to the positions of Engineering Aid and Physical Science Aid for duty in various Federal agencies in the States of California, Arizona and Nevada.
